Towada Lake

**[Choshiotaki]**  
The best waterfall in the Oirase mainstream, 7m high and 20m wide. It is a magnificent waterfall that splashes down at a high temperature. The water that flows down creates a mist and the sunbeams make a number of light streaks.

**[Kumoi no taki]**  
Falling from a 20m high cliff surrounded by dense forest, this waterfall is one of the best waterfalls along the stream with an abundance of water volume and power.
